Paper Code	242118	Marks: 100	Credits: 4	60 Days
Paper Title:	Field Practicum and Viva-voce (60+40)			

Field practicum consists of supervised practice in problem solving/socio-economic development activities in recongnized government or non-government agencies operating in respective areas. Through field practicum students are expected to learn to apply social work knowledge and develop insight in professional context and acquire necessary skills. The Department of Social Work of the concerned college will arrange placement of students in different agencies at random basis. The students will be required to do field practicum for a period of 60 hrs. working days under the direct supervision of an agency executive along with a counterpart teacher of the department. The students will be required to write a final report on his/her field practicum which will be examined by the supervisiors responsible for field instructions. Sixty (60 hrs.) marks are alloted for the field practicum performance and report writng which will be awarded jointly by the supervisors concerned. There will be a viva-voce examination which will carry 40 (forty) marks.
